

Double your Impact!

Have your company match your charitable gift

Donate

Make a cash, check, or credit card donation to the Central Missouri Humane Society. When you get your tax deductible receipt, hang on to it. Your company might require proof of your contribution. Most corporate matching programs give you up to one year to request their match on your donation.

Ask

Talk with your Human Resources department. They will be able to let you know if your company has a matching program, and how to get started.

Match

Your company will have required forms for you to fill out to be a part of their matching program. This may be on-line or hard copy. If hard copy, mail forms to:

Central Missouri Humane Society
616 Big Bear Blvd.
Columbia, MO 65202

The CMHS will be happy to fill out any information required by your company. Once completed, your company will send us their matching contribution, and you will be helping twice as many animals!

Please e-mail src@cmhspets.org for more information.
